6. If you are an exhibitor in the tents, do not park your vehicle in the grassy area across the macadam road as this is for cars being exhibited only and they begin very early each morning.
7. **Please put your arts and crafts parking pass on the left corner of your vehicle's dashboard so it is clearly visible.** Be sure your name and location are showing, in case your car needs to be moved. There will be a checklist at the gate to ensure each booth has only one vehicle. There can be NO EXCEPTIONS.
8. No exhibitor is allowed to sublet the space to another exhibitor.
9. To qualify as a craftsperson, the exhibitor must be the designer or maker of the craft being sold.
